Off the Charts Increase

God has supernaturally blessed the work of REST Ministries here at Shepherd's Gate Inn. We are on track to end 2011 with a 760% increase (over 2010) in the number of individuals God has blessed and encouraged. What an amazing God! Where God moves, we must obediently follow! ☞

forth nearly 175 individuals to assist with the workload by volunteering their time, resources and talents at various times over the past year! Where God moves, faithful people follow. ☞

Priceless Assistance

With ever-increasing guests comes escalating work! God didn't bring such an amazing increase to overwhelm REST Ministries' staff; God had a plan.

As God provided astounding abundance in the harvest of retreat guests, he has also supplied many willing workers. God has brought

are living in the caretaker's house and are contributing 40 hours a week to assist with the workload at the Inn. In addition to having a huge heart for the ministry, they come to REST with a vast array of giftedness, talents and skills. Again, we are greatly blessed by God. When God moved, Jake and Leah were faithful to follow. ✂

You Are Here

In large complex buildings, when locating someplace specific, you seek

directional signs to assist. Often, there is a pointer saying, "You Are Here!" It is a fact we can't see where we need to go if we don't know where we are.

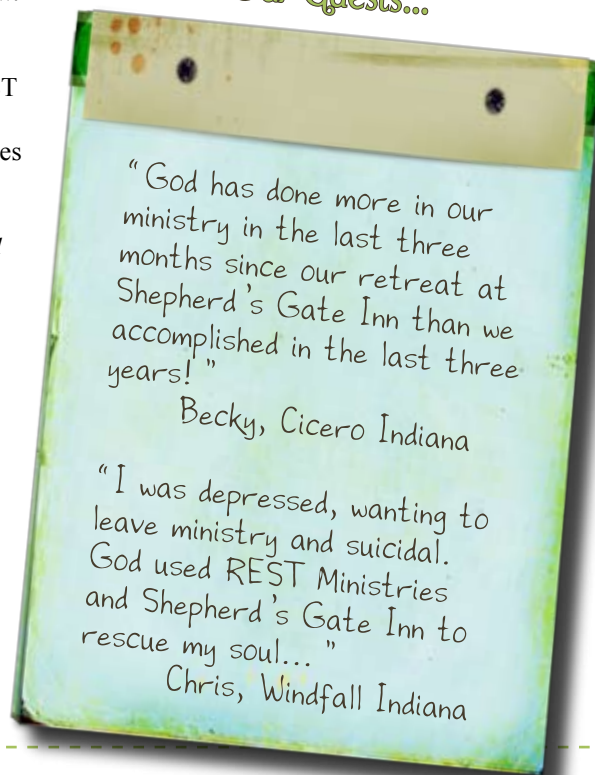

Well, "You Are Here!" You received this note because you are a "friend of REST Ministries." You have been touched, impacted or blessed by the work of REST Ministries. So, "You Are Here" with REST Ministries; and God is moving in a mighty way! When God moves, we must obediently follow.

REST Ministries has a big need, but we have a gigantic God. REST **must** find additional funding just to meet the God ordained increases in ministry for 2012 – God is moving. **Increases in ministry necessitate raising an additional ongoing \$6,850.00 per month by January 1st for ministry at Shepherd's Gate Inn to continue!**

This need could be met in the following ways: 7 people giving \$1000 per month (we have one such partnership already); 69 people giving \$100 per month (a year-end gift of \$1200 would fulfill your first

year's partnership); or 138 individuals giving \$50 per month (a year-end gift of \$600 would fulfill your first year's partnership). God is moving in mighty ways; will you be faithful to follow by partnering financially with REST Ministries? Commit today and join God at work through REST Ministries. ✂
